### COMMENTS TO AUTHORS

This is an interesting manuscript about the clinical features and diagnostic values of MSCT for Bezoar-induced small bowel obstruction. In this manuscript, the authors determined the possible predisposing factors of Bezoar-induced small bowel obstruction and discussed the diagnostic values of MSCT examination. About 35 patients were analysis. The results are informative. Some revision suggested: 1 The text need to be edited. Some minor language errors should be corrected. 2 What's the meaning of the red data in the tables? The authors should note them below the tables. 3 Discussion should be shorten. 4 Refereces should be updated.
