Certificate of Biostatistics

To whom it may concern

Title of Study: Generic versus brand forms of direct acting antivirals for hepatitis C virus treatment in Egyptian children

Chief investigator: Engy Mogahed

The Pediatric Hepatology Unit, Department of Pediatrics, Cairo University, Egypt

This letter is to confirm that I have read the ethics application prepared for this study and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

Mona Fahmy

Professor and Researcher of Pediatrics and Medical Statistics at the Ophthalmology Institute, Cairo, Egypt
