

Supplementary Figure 1 The flow chart of the high-throughput data in our study.

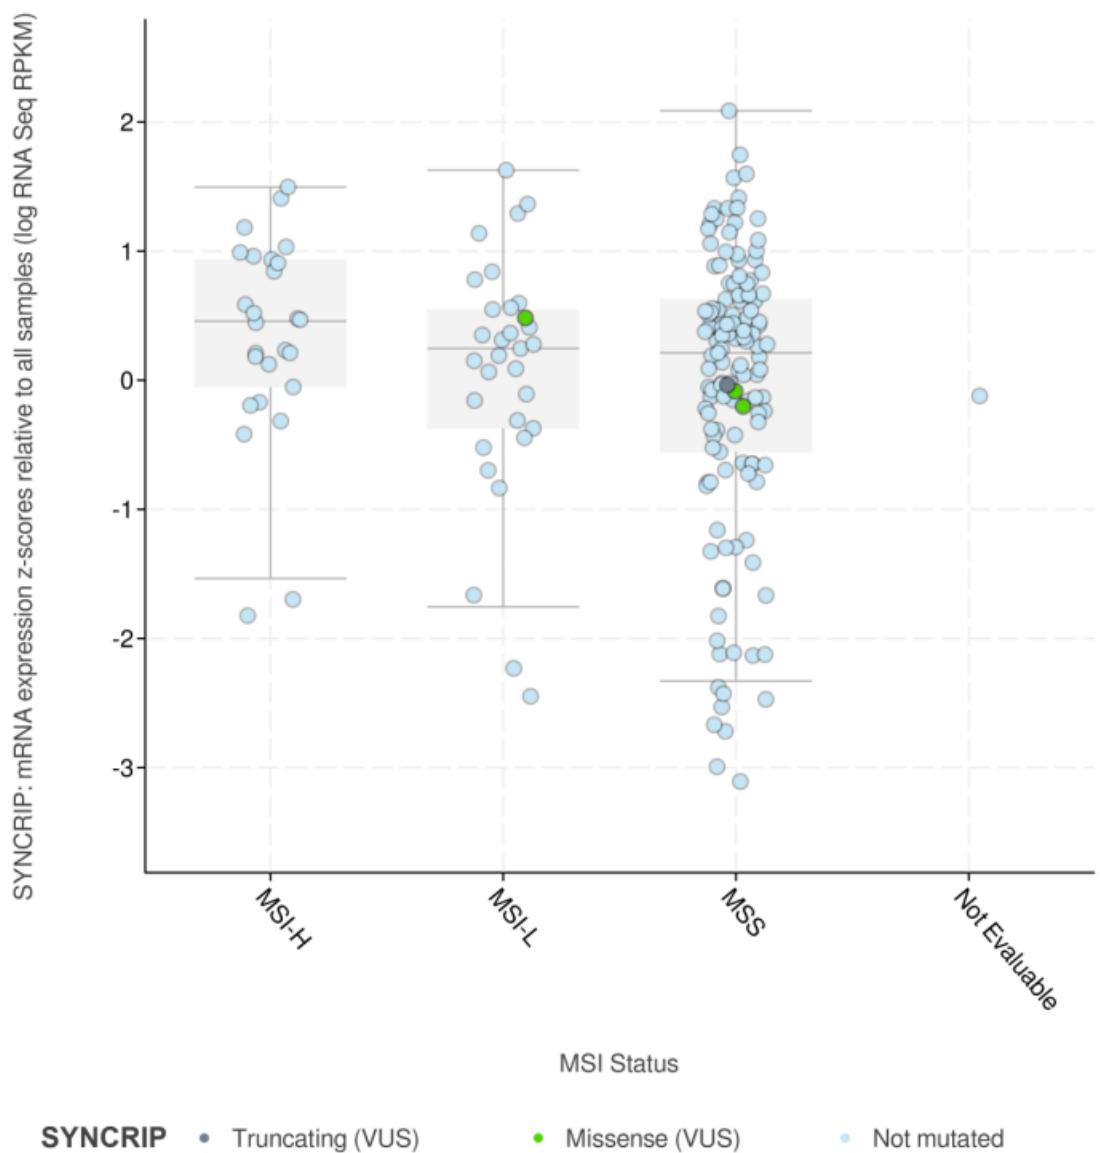

Supplementary Figure 2 The funnel plot of the SMD model showing no public bias.

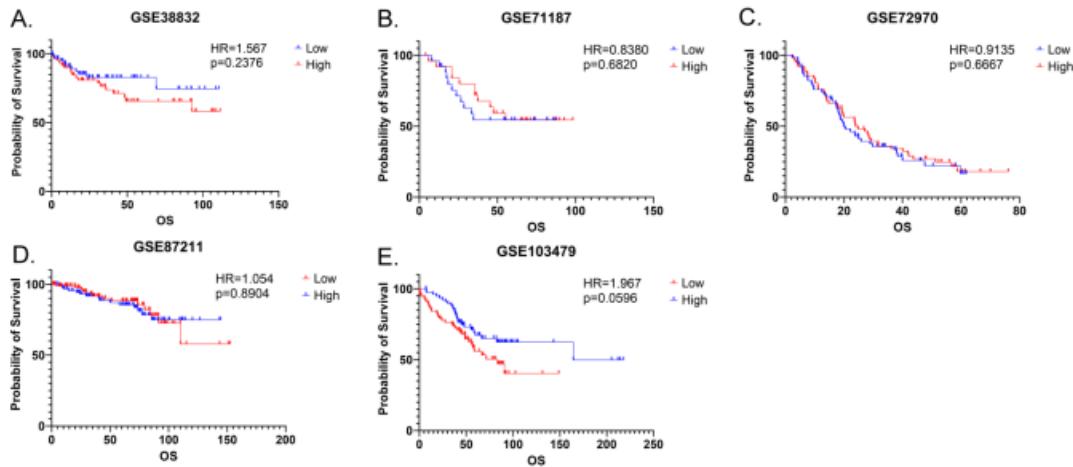

Supplementary Figure 3 the mutation status of SYNCrip in CRC based on three cohorts.

Supplementary Figure 4 There was no correlation between SYNCRIPI and the TMB of CRC. (A, C): The relation between SYNCRIPI and COAD. (B, D): The relation between SYNCRIPI and READ.

Supplementary Figure 5 The expression of SYNCRIPI showed no difference in various MSI status groups.

Supplementary Figure 6 The prognosis value of SYNCRIPI in CRC. No correlation was found between SYNCRIPI and the survival time of patients with CRC.
