To Whom it May Concern:

It gives me great pleasure to write this letter of recommendation in support of Dr. Chantelle Collins. Dr. Collins is currently a resident in the Morehouse School of Medicine surgical residency program. She has proven herself to be a physician of high character. She is dedicated, motivated, responsible and vision driven. She has already demonstrated excellence in patient care and all aspects of surgical residency. I have no doubt that she will be an excellent, well-rounded surgeon.

Dr. Collins has performed well during her matriculation here at Morehouse School of Medicine. She is extremely motivated to study surgery to impact the health of her community. She intends to use her medical training to provide comprehensive health care.

Dr. Collins is a personable and dedicated physician who is a joy to have on the surgical services. She has demonstrated her drive to pursue the study of surgery. She wholeheartedly believes in using her skills and training to effect change and improve the community around her. She is involved in Minimally Invasive Surgery research studies and shows keen interest in contributing to the surgical body of knowledge.

In my position as Associate Professor at Morehouse School of Medicine and Associate Program Director for General Surgery I have interacted with a number of residents. I feel that Dr. Collins possesses the dedication, compassion and persistence to be an excellent surgeon and leader. I highly recommend her for your program and am confident that she will excel. Please do not hesitate to contact me if any further information is needed.
