FSeditor

Editing by professional editors

Manuscript title:

Clinicalpathological characteristics and prognosis of gastric cancer undergoing R0 resection with HER2 status:a large-scale, multicenter study in China

The First Author:

Guo-Shuang Shen, Jiu-Da Zhao

Code:

0451-210-012

Date: 20, Feb, 2016

This document certifies that the manuscript titled " Clinicalpathological characteristics and prognosis of gastric cancer undergoing R0 resection with HER2 status:a large-scale, multicenter study in China" was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at FSeditor. Neither the research content nor the authors' intentions were altered in any way during the editing process.

Documents receiving this certification should be English-ready for publication - however, the author has the ability to accept or reject our suggestions and changes. To verify the final FSeditor edited version, please visit our verification page. If you have any questions or concerns over this edited document, please contact FSeditor at editing@fseditor.com

FSeditor offers the services in paper evaluation, professional translation, language editing and publication support. FSeditor comprises a network of more than 300 editors with a biomedical background. All our editors must meet strict selection criteria. We require that each editor has completed or is attending a PhD graduate program at one of the top universities in the world. He or she must have proven written communication skills and undergo a comprehensive training period under the instruction of a managing editor. All editors are native English speakers.

We provide high quality services at the comparable price in the industry. For more information, please visit www.fseditor.com or contact us by email at editing@fseditor.com
