To,

The Editor

Dear Sir,

I am writing to submit for consideration my research manuscript entitled "Botulinum Toxin Type A for Treating Chronic Low Back Pain: a Double Blinded Randomized Control Study" for possible publication in your journal. I believe that this study significantly contributes to the understanding of chronic low back pain management and warrants consideration for publication in your esteemed journal.

This study has been edited by a Fluent English speaking person and is a native of English speaking country.

Thanking you

Regards
