Editing Certificate

This document certifies that the manuscript

Importance of the landscape exploration and progress in molecular therapies and precision medicine for pancreatic ductal adenocarcinoma

prepared by the authors

Maher Hendi, Bin Zhang, Yi-Ping Mou, Xiu-Jun Cai

was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified English speaking editors at SNAS.

This certificate was issued on **March 16, 2025** and may be verified on the SNAS website using the verification code **CADC-8494-C325-C10C-10CB**.

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final SNAS edited version, please visit our verification page at secure.authorservices.springernature.com/certificate/verify.
If you have any questions or concerns about this edited document, please contact SNAS at support@as.springernature.com.

SNAS provides a range of editing, translation, and manuscript services for researchers and publishers around the world.
