

Certificate of Proofreading

March 25, 2023

We certify that the manuscript by Nanae Tsuchiya entitled "Chronic thromboembolic pulmonary hypertension is associated with a loss of total lung volume on CT: Preliminary results" was edited by a native English speaker who is knowledgeable in this field.

Sincerely,

A handwritten signature in black ink on a light yellow background. The signature is cursive and appears to read 'Akio Nagaoka'.

Akio Nagaoka
