Epidemiology, management, and ³⁶economic evaluation of screening of gallstone disease among type 2 diabetes: A systematic review

Lujie Chen, Yu-Ting Peng, Fu-Li Chen, ⁵Tao-Hsin Tung

Abstract

The knowledge of gallstone disease is crucial to manage this condition when organizing screening and preventive strategies and identifying the appropriated clinical therapies. It is known that the contraction of gallstone disease is poor in type 2 diabetes. ¹Although cholecystectomy still be the gold
