<input type="checkbox"/> Grade D: Fair	<input type="checkbox"/> Grade D: Rejected	<input type="checkbox"/> Rejection
<input type="checkbox"/> Grade E: Poor		

### JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

According to all four reviewers' comments and in my opinion the presented Editorial article is dealing with an expired innovative topic that has been frequently adapted in a number of previous review reports. However, the author for the most part has successfully implemented the criticisms of the reviewers and considerably enhanced the impact of this review/editorial. For that the manuscript is acceptable for the general readership of WJH.
