Georgios Katsanos
Associate Professor of
Transplantation Surgery

Secretary

Thessaloniki, November 11, 2025

The manuscript was re-read carefully by one of the co-authors, Georgios Tsoulfas, MD, PhD. Professor Tsoulfas was born in Greece but is a US citizen and English is a native language as he was educated at Anatolia American High School, Brown University for undergraduate studies, Brown University School of Medicine in Providence, Rhode Island, University of Iowa Hospitals and Clinics, Massachusetts General Hospital and Harvard Medical School for Fellowship and worked at the University of Rochester School of Medicine. He has written and published over 230 original scientific papers in PubMed in English, 48 English book chapters, edited 17 books and is a reviewer in 40 international journals and in the editorial board of several ones, including the Annals of Surgical Oncology.

Sincerely,

Georgios Tsoulfas, MD, PhD, FICS, FACS
Professor of Transplantation Surgery
Chief of the Department of Transplantation
Chief Center of Research and Innovation in Solid Organ Transplantation
Aristotle University School of Medicine
Thessaloniki, Greece
