Biostatistics Review Certificate

To editorial board of World Journal of Diabetes

Dear Editor,

My name is Prof. Dr. Ivan Soldatovic, coauthor of the article „**The Effect of a Three-Week Exercise Program on Muscle Strength and Joint Mobility in Patients with Diabetic Polyneuropathy: Randomized Controlled trial**“ which is submitted to your journal for publishing consideration. I am a professor of biostatistics at the Faculty of Medicine, University of Belgrade and consultant for pharmaceutical companies as a biostatistician. I did all statistical analysis, wrote parts of methods section and results. All statistical analyses are in compliance with statistical methodology commonly used for data analysis in clinical trials.

For any other issues, please feel free to contact me.
