To Whom It May Concern

This is to certify that, prior to submitting the manuscript, I took steps to ensure the English language quality. Specifically, I used an online English editing tool and also sought the assistance of a colleague with strong proficiency in English to review and refine the manuscript.

I confirm that these measures were taken to improve grammar, clarity, and overall readability, ensuring the manuscript meets the language standards required for submission.

Sincerely,

[redacted] 4th May 2026

Dharmendra Kumar Maurya
