

CERTIFICATE OF LANGUAGE EDITING

The English writing of the following manuscript was carefully edited by a native English speaker.

Manuscript Information

ID	LE202210220396
Editing date	2022-10-26
Title	Research progress on the marine biological injuries and their medical management
Corresponding author	Ji-Shun Yang
Language writing before editing	<input type="checkbox"/> Very poor <input checked="" type="checkbox"/> Poor <input type="checkbox"/> Fair <input type="checkbox"/> Good <input type="checkbox"/> Very good <input type="checkbox"/> Excellent
Recommendation after language editing	<input type="checkbox"/> Submitting to target journal directly <input checked="" type="checkbox"/> Submitting to target journal after minor revision <input type="checkbox"/> Re-editing required after major revision <input type="checkbox"/> Not suitable for publication
Overview comments	This paper was very interesting and covered a broad topic. I made a number of edits and changes to smooth out the writing. It's important that the authors check all my changes to make sure I didn't add errors. In general, I think the writing could be improved overall. So perhaps more editing may be needed to help this important information be more accessible to readers. Good luck!
