Title: Epidemiology of electric burns and its impact on quality of life

Reference No. NK/1672/M.Ch/10369-70

Dear Dr. Giriraj Nitin Gandhi

The Institute Ethic Committee (Intramural) at their meeting held on 03.09.2014 has APPROVED your thesis protocol.

It is understood that the study will be conducted strictly as per the submitted protocol. Any deviations from the approved protocol and study documents must be sent the ethic committee for re-approval. Any adverse reaction or condition noted during the study period should be reported to the ethic committee immediately.

All future correspondence with respect to your project, please attach a photocopy of this letter.

With kind regards,

Yours sincerely,

( Nandita Kakkar )
Convener Instt. Ethic Committee (Intramural)

Copy to training branch

Office: Deptt. of Histopathology, Room # 506, 5th Floor, Research Anand Block “A”, PGIMER, Chandigarh
### OFFICE ORDER

On the recommendation of the Dean of the Institute, approval is hereby accorded to the plan of dissertation(s) submitted by the following DM/M.Ch candidates for the respective degree of the Institute:

<table>
<thead>
<tr>
