Terms and Conditions

STANDARD TERMS AND CONDITIONS FOR REPRODUCTION OF MATERIAL

Introduction

The Publisher for this copyrighted material is Karger Publishers. By clicking "accept" in connection with completing this licensing transaction, you agree that the following terms and conditions apply to this transaction (along with the Billing and Payment terms and conditions established by Copyright Clearance Center, Inc. ("CCC"), at the time that you opened your CCC account and that are available at any time at

Limited License

Publisher hereby grants to you a non-exclusive license to use this material. Licenses are for one-time use only with a maximum distribution equal to the number that you identified in the licensing process. It is explicitly forbidden to reuse and/or translate a complete book or journal issue by separately obtaining permission for each book chapter or journal article. Any further use, edition, translation or distribution, either in print or electronically requires written permission again and may be subject to another permission fee. This permission applies only to copyrighted content that Karger Publishers owns, and not to copyrighted content from other sources. If any material in our work appears with credit to another source, you must also obtain permission from the original source cited in our work. All content reproduced from copyrighted material owned by Karger Publishers remains the sole and exclusive property of Karger Publishers. The right to grant permission to a third party is reserved solely by Karger Publishers.

Geographic Rights

Licenses may be exercised anywhere in the world, without any country-specific exceptions.

Altering/Modifying Material

- You may not alter or modify the material in any manner (except that you may use, within the scope of the license granted, one or more excerpts from the copyrighted material, provided that the process of excerpting does not alter the meaning of the material or in any way reflect negatively on the Publisher or any writer of the material), nor may you translate the material into another language, unless your license specifically grants translation rights.
- Other minor editing modifications are allowed when reusing figures/tables and illustrations (e.g. redesigning, reformation, coloring/recoloring) and can be made at the Licensee's discretion.

Reservation of Rights

All rights reserved. Publisher hereby grants to you a non-exclusive license to use this material. Licenses are for one-time use exclusively. No part of this publication may be translated into other languages, reproduced or utilized in any form or by any means, electronically or mechanically, including photocopying, recording, micro-copying, or by any information storage and retrieval system, without permission in writing from the Publisher.

License Contingent on Payment

While you may exercise the rights licensed immediately upon issuance of the license at the end of the licensing process for the transaction, provided that you have disclosed complete and accurate details of your proposed use, no license is finally effective unless and until full payment is received from you (either by Publisher or by CCC) as provided in CCC's Billing and Payment terms and conditions. If full payment is not received on a timely basis, then any license preliminarily granted shall be deemed automatically revoked and shall be void as if never granted. Further, in the event that you breach any of these terms and conditions or any of CCC's Billing and Payment terms and conditions, the license is automatically revoked and shall be void as if never granted. Use of materials as described in a revoked license, as well as any use of the materials beyond the scope of an

unrevoked license, may constitute copyright infringement and Publisher reserves the right to take any and all action to protect its copyright in the materials.

Copyright Notice

- You must give full credit to the original source of the article/book chapter and include the following copyright notice in connection with any reproduction of the licensed material: "Copyright © 2012 (or other relevant year) Karger Publishers, Basel, Switzerland."

- In case of translations you must additionally include the following disclaimer: "The article/book chapter printed herein has been translated into (relevant language) from the original by (Name of Licensee). Warranties

Publisher makes no representations or warranties with respect to the licensed material and adopts on its own behalf the limitations and disclaimers established by CCC on its behalf in its Billing and Payment terms and conditions for this licensing transaction.

Indemnity

You hereby indemnify and agree to hold harmless Publisher and CCC, and their respective officers, directors, employees and agents, from and against any and all claims arising out of your use of the licensed material other than as specifically authorized pursuant to this license.

No Transfer of License

This license is personal to you and may not be sublicensed, assigned, or transferred by you to any other person without Publisher's written permission.

No Amendment Except in Writing

This license may not be amended except in a writing signed by both parties (or, in the case of Publisher, by CCC on Publisher's behalf).

Objection to Contrary Terms

Publisher hereby objects to any terms contained in any purchase order, acknowledgment, check endorsement or other writing prepared by you, which terms are inconsistent with these terms and conditions or CCC's Billing and Payment terms and conditions. These terms and conditions, together with CCC's Billing and Payment terms and conditions (which are incorporated herein), comprise the entire agreement between you and Publisher (and CCC) concerning this licensing transaction. In the event of any conflict between your obligations established by these terms and conditions and those established by CCC's Billing and Payment terms and conditions, these terms and conditions shall control.
