English Language Certificate

World Journal of Gastrointestinal Oncology

Manuscript title: Notch signalling pathway in development of Cholangiocarcinoma

Authors: Bisma Rauff, Arif Malik, Yasir Ali, Shafiq Ahmad Chudhary, Ishtiaq Qadri, Shafquat Rafiq

The manuscript was re-read and edited by me where needed. I am native to United Kingdom, had all my schooling in English, studied at University of Manchester and currently practicing gastrointestinal medicine in England. I have authored multiple publications and reviewed articles for medical journals.

Sincerely yours

Shafquat Rafiq
