CLINICAL TRIAL REGISTRATION STATEMENT

Manuscript Title: Effects of transcutaneous electrical acupoint stimulation (TEAS) on colonic spasm during colonoscopy: A randomized controlled trial

Manuscript Number: 123453

Clinical Trial Registration Statement:

This study was prospectively registered with the Chinese Clinical Trial Registry (ChiCTR). The registration identification number is **ChiCTR2500114656**.

The registration record is available at: https://www.chictr.org.cn/index.html
