CERTIFICATE OF ENGLISH EDITING

This is to certify that the manuscript entitled

Effects of transcutaneous electrical acupoint stimulation (TEAS) on colonic spasm during colonoscopy: A randomized controlled trial

By:Jiaqi Chen

commissioned to us has been carefully edited by a native English-speaking editor at Editeg. The grammar, spelling, and punctuation of the text have carefully been checked and corrected wherever required. We believe that the language of this paper has been considerably improved to meet academic standards. You may please contact us for further queries regarding the editing process.
