Dear Editor:

I, a native English speaker from Memphis, Tennessee, USA – affirm that I have reviewed and edited the English for the article entitled “Should we perform venous embolization of splenorenal shunt in refractory hepatic encephalopathy associated with portal vein thrombosis? Case Report”, now being submitted to your Journal.

The authors are: Letícia de Campos Franzoni, Fábio Cardoso Carvalho, Rafael Gomes de Almeida Garzon, Fabio da Silva Yamashiro, Laís Augusti, Lívia Alves Amaral Santos, Mariana de Souza Dorna, Júlio Pinheiro Baima, Talles Bazeia Lima, Carlos Antonio Caramori, Giovanni Faria Silva and Fernando Gomes Romeiro.
