

January 6th, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 15662-review.doc).

Title: Mental health of perinatal women

Author: Marjan Khajehei

Name of Journal: *World Journal of Obstetrics and Gynecology*

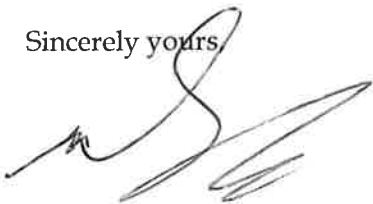

ESPS Manuscript NO: 15662

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated.
2. Revision has been made according to the suggestions of the reviewers as follows:
 - a) The issue of nutritional neglect as one of the factors affecting the health of children was addressed (Page 7, Para 3).
 - b) More data and references beyond only the Australian studies were cited throughout the manuscript.
 - c) A section was added before Treatment section, named "Prevention and Diagnosis" that addresses the barriers to access professional treatment (Page 8).
 - d) A table (Table 1) was added to the manuscript summarising the risk factors (last page).
 - e) Last sentence in Introduction was corrected (Page 5, Para 3, last line).
3. Relevant references were added and format of the References were corrected.

Thank you again for publishing our manuscript in the *World Journal of Obstetrics and Gynecology*.

Sincerely yours,

Marjan Khajehei, RM, MSc, PhD
