<input type="checkbox"/> Grade D: Fair	<input type="checkbox"/> Grade D: Rejected	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Minor revision
<input type="checkbox"/> Grade E: Poor		BPG Search:	<input type="checkbox"/> Major revision
		<input type="checkbox"/> The same title	
		<input type="checkbox"/> Duplicate publication	
		<input type="checkbox"/> Plagiarism	
		<input checked="" type="checkbox"/> No	

COMMENTS TO AUTHORS

A small and succinct study, while it has some limitations, which are well acknowledged by the author, there are some interesting and statistically significant within this study. The implications of this work could well be, as stated by the author, that more robust and in-depth analysis of larger cohorts is undertaken. It is well written and easy to follow.
