**TO WHOM IT MAY CONCERN**

I have the pleasure to notify you that the language editing has successfully been carried out on the manuscript titled: **Visceral adiposity index, fitness, and fasting plasma glucose associations in adolescents**. There has been a significant improvement in the revised version of the manuscript based on clarity, structural flow, and readability.

Thank you.

A handwritten signature in blue ink, appearing to read 'A. Tsauni'.

**Prof. Ahmad Muhammad Tsauni**  
Director
