## Editorial Certification

This document certifies that the manuscript titled " Texture analysis of the rectum and anal canal wall in the differential diagnosis of perianal fistulising Crohn's disease and glandular anal fistula " was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at ELIXIGEN.

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication - however, the author has the ability to accept or reject our suggestions and changes. To verify the final ELIXIGEN edited version, please contact ELIXIGEN at [support@elixigen.com](mailto:support@elixigen.com).

\*We are NOT responsible for any errors in the added content to our revised version after this date.
