STATEMENTS

Study Title: Elderly patients over 80 years undergoing colorectal cancer resection: Development and validation of a predictive nomogram for survival

Institutional review board

This study was approved by Singapore Health Services (SingHealth) Institutional Review Board (IRB Ref. 2022/2438). All methods were carried out in accordance with relevant guidelines and regulations (Declaration of Helsinki).

Informed consent

Due to the study's retrospective design using de-identified data, written informed consent collection was waived by SingHealth Centralised Institutional Review Board.

A handwritten signature in black ink, appearing to read "Aik Yong Chok".

Aik Yong Chok, MBBS, MMed, FRCS

Consultant Surgeon

Department of Colorectal Surgery, Singapore General Hospital

Clinical Assistant Professor

Duke-NUS Medical School

Singapore 169608
