Decision: APPROVAL

The Research Ethics Committee (REC), has reviewed and approved the above mentioned protocol. You may begin your investigation. Approval is granted for one year from the date of initial approval. At the end of this period, the principal investigator will submit the required documents for continuing review.

The principal investigator will need to:
- Notify the REC Chair immediately after any serious adverse events experienced by participants of the investigational study or as reported to you by the sponsor/manufacturer/co-investigators.
- Submit End of trial notification at the end of trial.
- Submit Clinical study report at the end of trial.
- You may not initiate changes in approved research protocol without REC review and approval except where necessary to eliminate apparent immediate hazards to the human subjects.

Sincerely,

REC Subcommittee Chairman
