Memorandum

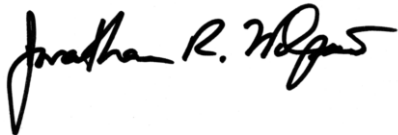

February 10, 2017

RE: Approval Dates for Vitamin D in Veterans from Northeast/VISN 2

Dr. Yaturu,

This memo confirms that the Stratton VAMC IRB approved the project titled, "Vitamin D in Veterans from Northeast/VISN 2" on July 28, 2010 via expedited review. The Research and Development Committee issued final approval on August 27, 2010. The project closure is listed as July 27, 2012.

Sincerely,

Jonathan Wolpaw, MD
Stratton VAMC IRB Chair
