

Dear Editor,

we didn't upload any certificate as the manuscript entitled "**Psychic Euosmia among Obsessive-Compulsive Personality Disorder patients. A case-control study.**" was authored and reviewed in language by a native English speaker (Prof. **Vlasios Brakoulias** Department of Psychiatry, School of Medicine, Western Sydney University and Western Sydney Local Health District, Blacktown, NSW, Australia and Department of Psychiatry, Nepean Hospital, Sydney Medical School, The University of Sydney, Penrith, NSW, Australia).

Sincerely

A handwritten signature in black ink, appearing to read 'M Frascarelli'.
