

# Certificate of Biostatistics

01 March 2019

To whom it may concern

Title of study: Metabolic neural activity in chronic idiopathic tinnitus after repetitive transcranial magnetic stimulation

Chief Investigator: Zhenchang Wang, Department of radiology, Beijing Friendship hospital, Capital Medical University, Beijing, China.

The letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

Yuanyuan Kong, Ph.D., Department of Methodology Platform, National clinical research center for digestive diseases, Beijing Friendship hospital, Capital Medical University, Beijing, China.
