

November 21, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 14567- Review.doc).

**Title:** Strongyloidiasis: A case with acute pancreatitis and a literature review

**Authors:** Jasbir Makker, Bhavna Balar, Masooma Niazi, Myrta Daniel

**Name of Journal:** *World Journal of Gastroenterology*

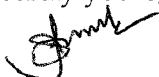

**ESPS Manuscript NO:** 14567

The manuscript has been improved according to the suggestions of reviewers:

1. Abstract has been expanded to meet the minimum word limit of 150. This has been highlighted yellow in the revised manuscript.
2. On the first page, footnote with statements on ethics approval from IRB, informed consent and conflict of interest has been included. This has been highlighted yellow in the revised manuscript.
3. Tables in the editable format (and not as image) have been provided at the end of the manuscript.
4. Comment section has been included before the references. This has been highlighted yellow in the revised manuscript.
5. Font size of the entire manuscript has been reduced to 10.
6. In the references section, name of the first author has been typed in bold-faced letters.
7. Revision has been made according to the suggestions of the reviewer
  - (1) Differential diagnosis of acute pancreatitis has been included in the case presentation section (7<sup>th</sup> paragraph). This has been highlighted yellow in the revised manuscript.
  - (2) Authors have been requested to include details of other cases in literature. We would kindly like to draw attention of the reviewers to table 2 that summarizes other literature cases of acute pancreatitis secondary to Strongyloidiasis.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Jasbir Makker, MD
