

July 21, 2025

Dear Sir,

I would like to make it clear that I have successfully passed the ECFMG English test of the USA with indefinite validation and have also completed a course on Editorial Processes for Journal Editors, organized by the International Network for the Availability of Scientific Publications (INASP), Oxford, UK.

Hence, I would like to declare that I am qualified enough for the editing of the English language in my article submitted to the journal.

Thank you.
