To Whom It May Concern

I am writing to inform you that I have meticulously proofread the research paper titled, **Prediction of cyanotic and acyanotic congenital heart disease using machine learning models** submitted for consideration in World Journal of Clinical Pediatrics with Manuscript No: 98472. As a lecturer with expertise in proofreading, I have carefully reviewed the paper for grammatical accuracy, clarity, and coherence.

I believe that the revisions made will enhance the overall quality of the paper, contributing to its readability and scholarly impact. I am confident that these improvements align with the standards set by World Journal of Clinical Pediatrics.

Sincerely,

Sadia Ashfaq sadia.ashfaq@nu.edu.pk

Lecturer English, Department of Sciences & Humanities
