February 1st, 2023

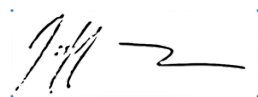

To Whom It May Concern:

Title of Study: Spatial Cluster Mapping and Environmental Modeling in Pediatric Inflammatory Bowel Disease

Chief Investigator: Dr. Kevan Jacobson, Director IBD Program, Division of Gastroenterology, Hepatology, and Nutrition, BC Children's Hospital, Vancouver, British Columbia.
kjacobson@cw.bc.ca (604) 875-2332

This letter is to confirm that I have reviewed the manuscript prepared for this study, and that in my opinion the statistical methods used are appropriate for the research.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Bone', enclosed in a thin black rectangular border.

Jeffrey Bone
