**Study on the mechanism of portal vein thrombosis after irreversible electroporation for locally advanced pancreatic cancer**

Su Jun Jun, Su Ming, Xu Kai, Wang Peng Fei, Yan Li, Lu Shi Chun, Gu Wan Qing, Chen Yong Liang

### Abstract

Portal vein thrombosis (PVT) is a rare but serious postoperative complication associated with irreversible electroporation (IRE). We report a case of postoperative PVT in a 54-year-old woman who underwent IRE for locally
