### Diagnosis of prostatic neuroendocrine carcinoma: two cases report and Literature Review

Hai-Qing He, Shu-Feng Fan, Qiong Xu, Zheng-Jing Chen, Zheng Li

#### Abstract

Two Cases of prostatic neuroendocrine carcinoma (PNEC) imaged by computer tomography (CT) and magnetic resonance imaging (MRI), and literature review are presented. Early enhanced CT, MRI, especially DWI were emphasized, The complementary roles of US, CT, MRI, clinical and laboratory Characteristic's features in achieving accurate diagnosis were
