

**1** Prenatal Diagnosis and Assessment of Congenital Spinal Anomalies: A Review for Prenatal Counseling

Name of Journal: *World Journal of Orthopedics*

ESPS Manuscript NO: 24751

Manuscript Type: REVIEW

**Prenatal diagnosis and assessment of congenital spinal anomalies: Review for prenatal counseling**

**Vidyadhar V Upasani, Pamela Deaver, Judy Estroff, Benjamin Warf, John Emans, Michael Glotzbecker**

### Abstract

The last two decades have seen continuous advances in prenatal ultrasonography and in utero magnetic resonance imaging. These technologies have increasingly enabled the identification of various spinal pathologies during
