Ruxolitinib in corticosteroid-refractory graft-versus-host ...

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC4854652>

Despite major improvements in allogeneic hematopoietic cell transplantation over the last decades, **corticosteroid-refractory** (SR) acute (a) and **chronic** (c) **graft-versus-host disease** (GVHD) cause high mortality. Pre-clinical evidence indicates the potent anti-inflammatory properties of the JAK1/2 **inhibitor ruxolitinib**.
