JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

The authors need to make sure they explain in detail the randomization and why they excluded those patients. It is not clear based on the paragraph. Also the stat program use does not include year and Country.

Answering:

As you requested, I have made the corrections and modifications that was requested by the Editor-in-Chief who reviewd the manuscript No. 15531:

1. I added a paragraph to explain with more detail how we performed the randomization of our patients (in the manuscript is highlighted in Green color)
2. I added the Contry and year to the statistical programs (in the manuscript in highlighted in yellow).
