Correction: Establishment of a prediction model for prehospital return of spontaneous circulation in out-of-hospital patients with cardiac arrest

Wang JJ *et al.* A correction

Abstract

This is an erratum to an already published paper named “Establishment of a prediction model for prehospital return of spontaneous circulation in out-of-hospital patients with cardiac arrest”. We found errors in the affiliated institution of the authors. We apologize for our unintentional mistake. Please note, these changes do not affect our results.

Key Words: Cardiac arrest; Cardiopulmonary resuscitation; Recovery spontaneous circulation; Logistic regression analysis; Predictive model

Core Tip: This is an erratum to an already published paper. We found errors in the affiliated institution of the authors. We apologize for our unintentional mistake. Please note, these changes do not affect our results.

TO THE EDITOR

This is an erratum to an already published paper. We found errors in the affiliated institution of the authors. We apologize for our unintentional mistake. Please note, these changes do not affect our results.

The correction information is as follows: The affiliated institution of the authors. Jing-Jing Wang, Zhen-Hua Huang, Yong Han, Zhong-Qing Chen, Xiao-Yong Xiao, Zhe Deng, Department of Emergency Medicine, Shenzhen Second People’s
Hospital/The First Affiliated Hospital of Shenzhen University Health Science Center, Shenzhen 518035, Guangdong Province, China

Qiang Zhou, Chong-Zhen Qin, Shenzhen Emergency Medical Center, Shenzhen 518025, Guangdong Province, China

Co-first authors: Jing-Jing Wang and Qiang Zhou.
