To whom it may concern,

I am writing to certify that I am a native speaker of English living in Slovakia, that for the past 16 years I have made my living translating documents from Slovak into English and proofreading documents in the English language, and that I have proofread the article "Acute-On-Chronic Liver Failure in Patients with Severe Acute Respiratory Syndrome Coronavirus 2 Infection" by the authors Peter Liptak, Lenka Nosakova, Robert Rosolanka, Lubomir Skladany and Peter Banovcin.

Please feel free to contact me regarding this manuscript, if necessary.

Sincerely,

DAVID LEE McLEAN
