

## CERTIFICATE OF ENGLISH EDITING

Dear editor:

This document certifies that the manuscript titled " High serum LDH and dyspnea: positive predictors for adverse event with critical COVID-19 patients in Yichang" was edited for proper English language, grammar, punctuation, spelling, and overall style by Yujie Lin, a native-English speaker, who is a mechanical engineer with a master's degree from University of California, Berkeley, CA, USA. Yujie is currently working on Nuclear technology at Schlumberger, world's largest oil field service company. Email: jaylin09@berkeley.edu. Neither the research content nor the authors' intentions were altered in any way during the editing process.

Sincerely yours,

Qicai Liu,
