SPECIFIC COMMENTS TO AUTHORS

Manuscript needs a good introduction, the introduction section of the manuscript is weak, authors are advised to improvise the introduction section. The contributions presented in this manuscript are not sufficient for possible publication in this journal. Authors have provided the case study, however the paper seems like a study guide and it lacks in novelty as well as the research component. The reviewer appreciates the author's work. Still, the manuscript or the work carried out is not matured for publication. Please check your whole reference list carefully to ensure ALL citations are directly relevant to the specific topic of the manuscript.
