### COMMENTS TO AUTHORS

The paper with the title <<A case of intramedullary spinal cord metastasis of renal cell carcinoma>> describes an unusual metastasis in renal carcinoma and also provides information concerning the frequency of this rare spinal cord metastasis by other neoplasm. Despite the fatal event for the patient the information is valuable for the medical community.

### COMMENTS TO AUTHORS

This case describes a patient with multiple metastases in several organ systems from renal cell cancer. The case is not so unusual that it warrants publication.
