

Hepatocellular carcinoma in research and clinical practice

Daniel Neureiter, Sebastian Stintzing, Tobias Kiesslich, Matthias Ocker

Language certificate for submission to World Journal of Gastroenterology

All authors have previously written and reviewed English language publications and grants:

D. Neureiter: 189 publications

T. Kiesslich: 82 publications

S. Stintzing: 133 publications

M. Ocker: 122 publications

S. Stintzing has lived and worked (Norris Cancer Center, University of Southern California, Los Angeles) in the United States of America for several years.

All authors confirm that the manuscript was revised according to the reviewers' suggestions (typos and language corrected) and that language Grade A was reached without the use of a language editing service.

Prof. Dr. Matthias Ocker
