2016 Laparoscopic Surgery: Global view

Impact of laparoscopic surgery training laboratory on surgeon's performance

Torricelli FC *et al.* Lap surgery training lab

Fabio C M Torricelli, João Arthur B A Barbosa, Giovanni S Marchini

**Abstract**

Minimally invasive surgery has been replacing the open standard technique in several procedures. Similar or even better postoperative outcomes have been described in laparoscopic or robot-assisted procedures when compared to open surgery. Moreover, minimally invasive surgery has been providing less
