Adjuvant sorafenib in hepatocellular carcinoma: A cautionary comment of STORM trial

Zhong JH *et al.* Adjuvant sorafenib in HCC

Jian-Hong Zhong, Xue-Ke Du, Bang-De Xiang, Le-Qun Li

Abstract

Recurrence rate of hepatocellular carcinoma is very high even after curative surgery, and no postoperative therapies have been definitively shown to prevent hepatocellular carcinoma recurrence. Sorafenib is proved to be effective for advanced hepatocellular carcinoma by two large randomized controlled trials in 2008 and 2009. Therefore it stands to reason to expect that
