Patient/Patient's Representative

I, Dr. ___ have explained the following surgery/procedure (in layman terms)

Possible risks and complications:

Select one:
- [ ] Same procedure/treatment performed once
- [ ] Same procedure/treatment performed ___ times
- [ ] Same procedure/treatment performed for a duration of ____ times

Father

I ___ (name) acknowledge that the treating physician/his assistant have explained the risks, benefits, potential complications and alternative methods, and no guarantees have been made. If during the course of the procedure, an unforeseen condition arises that the physician calls for an additional or different procedure, I further consent to the changes in the procedure, in accordance with the accepted medical practice.

- The excision and disposition of any part specimen or tissue by the surgeon is also authorized, if such excision and disposition is in accordance with the accepted medical practice.
- I also consent to the taking of still or video photography for medical documentation and educational purposes.
- I acknowledge that I have had the opportunity to ask questions and have had them answered.
