We certify that the material contained in this manuscript is not simultaneously being considered by other journals, has no redundant publication, plagiarism, data fabrication or falsification. All authors have no conflict of interest in the paper. All experiments in the manuscript were done in compliance with the laws regarding the use of animals and human subjects. The material contained in this manuscript is original, except when appropriately referenced to other sources, and that written permission has been granted by any existing copyright holders.

All authors agree to transfer to Baishideng Publishing Group Co., Limited all rights of the manuscript, including: (1) all copyright ownership in all print and electronic formats; (2) the right to grant permission to republish or reprint the stated material in whole or in part, with or without a fee; (3) the right to print copies for free distribution or sale; and (4) the right to republish the stated material in a collection of articles or in any other format. Articles published by this publisher are distributed under the terms of the Creative Commons Attribution Non-commercial License, which permits use, distribution, and reproduction in any medium, provided the original work is properly cited, the use is non commercial and is otherwise in compliance with the license.

At the best of their abilities, all authors have checked that the manuscript has no grammar, syntax, spelling, punctuation or logic errors. All figures and tables have been correctly placed and clearly indicated. All references are numbered in the order they appear in the text.
