

You have requested (i) the Medial Report and/or (ii) the raw data of the biochemical and/or genetic analysis (please tick below) containing your Personal (Health and Genetic) Data to be provided to the health care professional ("HCP") named below. Data controller and responsible entity for the processing is CENTOGENE AG, Am Strande 7, 18055 Rostock ("CENTOGENE", "we" or "us"). The legal basis is Art. 6 para. 1 a) and 9 para. 2 a) GDPR. The knowledge of the results of the biochemical and/or genetic analysis may result in psychological stress for you and your family. It is always recommended to discuss the results with a health care professional specialized in human genetics. You have the following rights under the applicable legal requirements:

- Right to withdraw your consent
- Right of access
- Right to data portability
- Right to rectification
- Right not to be informed about the results of the biochemical and/or genetic analysis in full or in part up to being given the results (right not to know)
- Right to erasure
- Right to restriction of processing
- Right to object
- Right to lodge a complaint with a supervisory authority
- Right to request destruction of results of the biochemical and/or genetic analysis in full or in part

Further information can be found in our Data Protection Policy: <https://www.centogene.com/data-protection.html>. Please complete:

Name of patient:

Performed analysis:

WGS

WES
