Microfluidic Chip for Continuous Monitoring of Hormone Secretion from Live Cells Using an Electrophoresis-Based Immunoassay

ACS Publications
Most Trusted. Most Cited. Most Read.

Author: Michael G. Roper, Jonathan G. Shackman, Gabriella M. Dahlgren, et al

Publication: Analytical Chemistry

Publisher: American Chemical Society

Date: Sep 1, 2003

Copyright © 2003, American Chemical Society

PERMISSION/LICENSE IS GRANTED FOR YOUR ORDER AT NO CHARGE

This type of permission/license, instead of the standard Terms and Conditions, is sent to you because no fee is being charged for your order. Please note the following:

- Permission is granted for your request in both print and electronic formats, and translations.
- If figures and/or tables were requested, they may be adapted or used in part.
- Please print this page for your records and send a copy of it to your publisher/graduate school.
- Appropriate credit for the requested material should be given as follows: "Reprinted (adapted) with permission from {COMPLETE REFERENCE CITATION}. Copyright {YEAR} American Chemical Society." Insert appropriate information in place of the capitalized words.
- One-time permission is granted only for the use specified in your RightsLink request. No additional uses are granted (such as derivative works or other editions). For any uses, please submit a new request.

If credit is given to another source for the material you requested from RightsLink, permission must be obtained from that source.

Figure 3B

The image shows a screenshot of the MDPI website's 'Open Access Information and Policy' page. At the top, there is a navigation menu with links for Journals, Topics, Information, Author Services, Initiatives, and About. A search bar is located on the right side of the header, with a 'Sign In / Sign Up' button and a 'Submit' button. Below the navigation menu, there is a search bar with the text 'Search for Articles:' and four input fields: 'Title / Keyword', 'Author / Affiliation', 'All Journals' (a dropdown menu), and 'All Article Types' (a dropdown menu). A 'Search' button and an 'Advanced' link are also present.

The main content area is divided into several sections:

- Information**: A sidebar on the left contains links for 'For Authors', 'For Reviewers', 'For Editors', 'For Librarians', 'For Publishers', 'For Societies', 'For Conference Organizers', 'Open Access Policy', 'Institutional O.A. Program', 'Special Issues Guidelines', 'Editorial Process', 'Research and Publication Ethics', 'Article Processing Charges', and 'Awards'.
- MDPI Open Access Information and Policy**: The main heading for the page.
- All articles published by MDPI are made immediately available worldwide under an open access license. This means:** A paragraph introducing the open access policy.
- Permissions**: A section detailing the Creative Commons CC BY license and the conditions for reusing the article.
- External Open Access Resources**: A section listing external resources like 'Wikipedia article on Open Access' and 'Open Access Network'.
- Meaning of Open Access**: A section explaining the conditions for open access, such as peer-reviewed literature being freely available and immediately released in open access format.
- Open Access Explained!**: A section with a share icon and a comment icon, likely linking to a video or further explanation.
